

SIM – RMIT DEGREE CONFERMENT & AWARDS CEREMONY

28 – 30 AUGUST 2024

Singapore Institute
of Management

SIM Campus,
Singapore

CHANCELLOR'S MESSAGE

Well done!

On behalf of the Council of RMIT University, it is an honour to congratulate you, our new graduates.

RMIT is an international university of technology, design and enterprise. We empower people and communities to adapt and thrive across generations, through education, applied research and civic engagement.

I have always believed that an exceptional education is a privilege and that, along with it, comes an expectation that those fortunate enough to receive one will use it to the best of their abilities.

My hope is that RMIT has equipped you with the knowledge, skills and perspective to pursue your ambition, while also making a contribution to the wider community.

Take your education as the extraordinary opportunity that it is and stay true to the determination that brought you to our University in the first place.

I hope you will join me as ambassadors for RMIT, wherever you find yourselves around the world, and as advocates for the life-changing power of education.

Wishing you all the very best for the future.

A handwritten signature in black ink that reads "Peggy O'Neal". The signature is fluid and cursive, with the first name "Peggy" being more prominent than the last name "O'Neal".

Peggy O'Neal AO

Chancellor
RMIT University

VICE-CHANCELLOR'S MESSAGE

Congratulations!

On behalf of the RMIT University community, it is my great pleasure to congratulate you on the significant achievement of reaching your graduation.

Whatever your chosen field, the commitment to make it this far is significant and it says a great deal about your readiness for the next chapter. It takes resilience, tenacity and a singular determination to ride out the tough times with a view to a goal – and you made it.

You now join an accomplished group of 500,000+ RMIT alumni working right around the world, so wherever you find yourself you won't be far from another graduate.

These days, education is most certainly lifelong, and the time will come when you need to top up your skills or perhaps pursue a new direction altogether. In whatever way your unique story evolves, RMIT will be here, and we encourage you to stay in touch along the way.

I wish our new alumni the very best in the years ahead.

A handwritten signature in black ink that reads "Alec Cameron." The signature is written in a cursive, flowing style.

Professor Alec Cameron
Vice-Chancellor and President
RMIT University

ACADEMIC REGISTRAR'S MESSAGE

Graduation is an exceptional achievement

Well done to all of our RMIT graduates

Graduation is a significant milestone in a person's life.

It is the culmination of years of dedication, hard work and perseverance.

Today you join the esteemed ranks of more than half a million RMIT alumni, making their mark in a range of disciplines around the world!

And there's no question you've earned your place.

You've demonstrated that you've got what it takes to succeed. This is your moment to shine.

And whatever comes next is yours to own.

Congratulations! You should feel incredibly proud of everything you have achieved and take the time to celebrate this moment.

A handwritten signature in black ink, which appears to read 'Merlino'.

Connie Merlino
Academic Registrar
RMIT University

INTRODUCTION

BACHELOR OF APPLIED SCIENCE (AVIATION)

The Bachelor of Applied Science (Aviation) program provides graduates with a range of analytical skills and a comprehensive appreciation of the aviation operating environment. Graduates will develop breadth and depth of thinking, and the ability to solve problems relevant to the aviation industry. With a rapidly growing population that seeks to travel internationally, professionals in the aviation industry are in demand across the globe, especially in the post pandemic world. The program prepares graduates to play an important role in meeting the needs of the aviation industry, and RMIT graduates continue to be highly employable.

BACHELOR OF APPLIED SCIENCE (CONSTRUCTION MANAGEMENT) (HONOURS)

The Bachelor of Applied Science (Construction Management) (Honours) is a two-and-a-half-year part-time program. The program comprises of 12 modules (including a research project) undertaken over 5 semesters. The program is designed to offer those holding a diploma in building or a related discipline the opportunity to upgrade their knowledge and skills to a bachelor degree. The program is offered on an advanced standing status to students with the relevant academic and professional achievements.

BACHELOR OF BUSINESS (ACCOUNTANCY)

The Bachelor of Business (Accountancy) is a fully accredited Australian undergraduate degree with international professional accountancy bodies. Upon successful completion of the programme, students are eligible for Associate membership with Chartered Accountants Australia and New Zealand (CAANZ) and CPA Australia and other professional accounting bodies.

As a graduate of the Bachelor of Accounting, you will obtain many transferable skills. These skills will enable you to analyse and evaluate information to complete a range of activities relating to the accounting discipline. The learning of skills in the Bachelor of Accounting curriculum is achieved through both skills embedded in curriculum design, and through an integrated capabilities framework.

This programme was launched in Singapore in 1993 and its continued successful operation is testament to its quality and rigour. The programme has two intakes a year.

BACHELOR OF BUSINESS (ECONOMICS AND FINANCE)

The Bachelor of Business (Economics and Finance) degree is a unique, well-established, and recognised

INTRODUCTION

program that offers two specialisations - economics and finance - opening doors to diverse industries and abundant employment opportunities. Our graduates are equipped with the skills and knowledge necessary to analyse economic trends, make informed financial decisions, and take advantage of the interplay between the two disciplines in their working environment. This dual focus enhances critical thinking, analytical, and problem-solving abilities, making our students highly sought-after by a wide range of employers across various industries and numerous occupation pathways. Courses are designed in conjunction with leading finance and economic industry partners through an industry advisory board of high-profile executives. The applied learnings therefore provide our graduates with the confidence to succeed and lead in an ever-changing economic environment.

BACHELOR OF BUSINESS (INTERNATIONAL BUSINESS)

The Bachelor of Business (International Business) programme has been introduced in July 2019 in Singapore. The programme enables students to develop an understanding of conducting business across national borders. It will address topics including international trade, international financial markets, global logistics and supply chain management, and cross-cultural management. Students will also study courses like global corporate responsibility which informs

how to manage businesses responsibility in the international and global context. The interplay between world's political economy and international business including multinational corporations are explored in the program as well. The international business major aims to equip students with the essential knowledge and skills to work in international business and begin their career with a much-needed global mindset.

BACHELOR OF BUSINESS (MANAGEMENT)

The Bachelor of Business (Management) programme is offered on a full-time as well as part-time basis.

The Management programme has been offered in Singapore since 1988 and has been one of RMIT's most popular programmes both in Melbourne and throughout the Asia-pacific region. The programme offered in Singapore combines the best of local expertise with RMIT's academic expertise.

Students will learn how to deal with complex issues, lead teams and make business decisions applicable across a variety of organisational structures. The Management programme will challenge students to consider the local impact of global changes to markets and business practices. The degree offers graduates an excellent basis for both supervisor and management practice in a range of professional, commercial, industrial and not-for-profit organisations.

INTRODUCTION

BACHELOR OF BUSINESS (MARKETING)

The Bachelor of Business (Marketing) degree focuses on developing skills, knowledge and practices through industry-focused projects that help our students develop the tools to succeed as a marketing professional.

The Marketing program at RMIT has been designed to equip students with the knowledge and skills needed to become an innovative and socially aware marketing professional who can engage industry and society with forward-thinking marketing solutions to the problems of the future. Our graduates have researched markets and customers, explored buyer behaviour, understood sales strategy and communication skills, built cutting edge strategies, and applied a variety of specialist marketing approaches, including retailing, brand development, product innovation and digital marketing, through a range of industry-relevant courses.

RMIT Marketing graduates are prepared for an international career in marketing through its blended delivery options, industry collaboration opportunities, showcasing of contemporary marketing theories and a focus on customer understanding and insight development.

The Bachelor of Business (Marketing) full-time degree first commenced in Singapore in 2005. This degree is accredited by the Australian Marketing Institute.

BACHELOR OF BUSINESS (LOGISTICS AND SUPPLY CHAIN MANAGEMENT)

The Bachelor of Business (Logistics and Supply Chain Management) programme prepares students to tackle business problems in the global marketplace and understand the complex world of logistics, supply chain and trade industries. Students cover areas that include procurement and global sourcing, operations management, warehousing and distribution channels, transportation and freight logistics, transport economic, retail and service logistics, supply chain technologies, supply chain analytics, and strategic supply chain.

This degree is accredited by the Chartered Institute of Logistics and Transport Australia. Another important industry association supporting the programme is the Logistics and Supply Chain Management Society, Singapore.

THE NEW BACHELOR OF BUSINESS

The New Bachelor of Business programme provides students with broad and coherent theoretical and technical business knowledge to enter professional work and/or undertake further learning. Students have a choice of majors, minors and options. The Bachelor of Business also gives students the option to engage in cross disciplinary knowledge. This approach allows students to gain new perspectives and recognises the diversity of business professions in the future.

INTRODUCTION

The new Bachelor of Business programme is designed to equip students with the skills and confidence to succeed in a rapidly changing business landscape. The program offers flexible learning options with a variety of majors, minors and elective courses/units allowing students to tailor their education to their career aspirations. The Bachelor of Business emphasises hands-on learning through real-world projects and internships, fostering critical thinking, problem-solving, and interpersonal skills. The course benefits from strong industry connections, including partnerships with companies like Oreal and the Singapore Red Cross. This programme was launched in Singapore in 2023. The programme has two intakes a year.

BACHELOR OF COMMUNICATION (PROFESSIONAL COMMUNICATION)

The Bachelor of Communication (Professional Communication) is a communication degree incorporating specialist study in Advertising and Public Relations. The interdisciplinary nature of the degree reflects the workplace reality of increasing integration of these professions. It encourages creative and critical thinking, and offers diversity in approaches to teaching and learning.

The program's capstone course will consolidate and extend your

knowledge through individual and collaborative projects. Upon completion you will have a broad knowledge of the media and communication industries and be able to analyse issues, communicate informed ideas and apply independent judgement to problems within a global communication context.

BACHELOR OF DESIGN (COMMUNICATION DESIGN)

The Bachelor of Design (Communication Design) programme commenced in Singapore in 2002.

RMIT University has a reputation as a centre of excellence for teaching and research in design. Students develop expertise in visual language and strategic design processes based on a thorough knowledge of conceptual and visual design principles. These aptitudes are combined with students' individual design aesthetics and understanding of the technologies and media for production.

As a culmination of the programme, a graduation exhibition is held to showcase the students' design work. This is an important milestone for the graduating students as the process of preparing for the exhibition enhances their skills in organising a successful event comparable to that of the corporate world. It is also a good opportunity to showcase students' talent and creativity.

SESSION 1

PROGRAMME

28 AUGUST 2024 (WEDNESDAY)
10.00 AM – 12.30 PM

PROGRAMME

THE ASSOCIATION OF CHARTERED CERTIFIED ACCOUNTANTS (ACCA)

We are ACCA (the Association of Chartered Certified Accountants), a globally recognised professional accountancy body providing qualifications and advancing standards in accountancy worldwide. Founded in 1904 to widen access to the accountancy profession, we've long championed inclusion and today proudly support a diverse community of over 252,500 members and 526,000 future members in 180 countries.

Our forward-looking qualifications, continuous learning and insights are respected and valued by employers in every sector. They equip individuals with the business and finance expertise and ethical judgment to create, protect, and report the sustainable value delivered by organisations and economies.

Guided by our purpose and values, our vision is to develop the accountancy profession the world needs. Partnering with policymakers, standard setters, the donor community, educators and other accountancy bodies, we're strengthening and building a profession that drives a sustainable future for all.

RMIT COLLEGE OF BUSINESS AND LAW

The College of Business and Law is one of the largest business schools in the Asia Pacific region and delivers industry-engaged education and applied research that spark ambition and new perspectives - attracting over 26,000 students globally.

Through its globally connected campuses, the College develops RMIT graduates, leaders, and industry professionals with the knowledge and skills needed to create positive, sustainable, and fair futures. Our focus on active, applied, and authentic learning ensures that research is an integrated component of our industry-

engaged teaching, providing students with first-hand experience of contemporary developments and real-life industry problems.

We foster a dynamic learning environment by blending industry-relevant discussions through high-quality seminars, advisory boards, colloquiums, and industry partner exhibitions with academic presentations and conferences. This ensures a successful integration of quality teaching with a contemporary research agenda, further enriching our students' educational experience.

By integrating theory with practice, our students develop real, hands-on knowledge and experience from academics who are also practitioners and experts in their fields. This approach results in business graduates who not only possess discipline-related skills but are passionate and ready to create impact in their chosen industry.

Congratulations on joining the RMIT College of Business and Law alumni community made up of over 190,000 members across the Asia Pacific region.

The RMIT Alumni network in Singapore provides graduates who are living and working in Singapore with professional development and social networking opportunities.

RMIT COLLEGE OF DESIGN AND SOCIAL CONTEXT

RMIT's College of Design & Social Context brings together creative and practical study in the fields of design, technology and society.

Comprised of nine schools, the College encompasses a wide variety of disciplines of the built environment, education, media & communication, global & social studies and across all fields of art and design. It is this breadth of expertise and the shared commitment to addressing the most urgent challenges and opportunities of our time through interdisciplinary collaboration that gives the College its unique identity.

With over 21,000 students in Australia and Vietnam – from undergraduate students to PhD candidates – learning and researching with a team of over 1000 academics, we are dedicated to fostering an environment that advances knowledge and transforms professional practice.

Through our highly respected research centres, groups and international partnerships, the College is having an impact globally with agenda-setting research that informs government policy, supports industry innovation and advances creative practice.

The College has a significant presence in Asia and Europe through higher education programs and active research projects. This includes programs at RMIT's Vietnam campus and with partner organisations in Singapore and Hong Kong, and research activity at RMIT Europe, the University's innovation hub in Barcelona.

The College is recognised globally for its standing across numerous fields with Art and Design and Architecture and Built Environment ranking number one in Australia and the Asia-Pacific, and in the top 20 globally, in the 2024 QS World Rankings by Subject. RMIT is ranked fourth in Australia for Communication & Media Studies, and in the top 50 globally.

RMIT is recognised as one of the top universities globally for its impact advancing multiple United Nations Sustainable Development Goals (SDG). The University is ranked number one globally for its work to reduce inequalities (SDG 10), equal first in supporting decent work and economic growth (SDG 8), and equal second for partnering to achieve sustainable development goals (SDG 17), according to the 2023 Times Higher Education University Impact Rankings.

AWARDS SPONSORS

STEM COLLEGE

The STEM College comprises four schools delivering a broad range of programs in science, engineering, health and computing technologies at bachelor, masters and PhD levels. The College is focused on providing innovative and practical solutions to real-life problems; developing and applying new knowledge and new ways of thinking about the environment and sustainability, health and wellbeing; and developing advanced technologies and driving digital transformation through education, research and projects, in collaboration with a wide range of partners. Employing over 1,000 staff, we provide onshore and offshore programs to approximately 25,000 students.

RMIT SCHOOL OF ACCOUNTING, INFORMATION SYSTEMS AND SUPPLY CHAIN

The School of Accounting, Information Systems and Supply Chain (AISSC) is an innovative school, offering unique courses and subjects in line with the changing needs of industry. The School is made up of four distinct departments each offering industry leading programs at undergraduate and postgraduate levels. The School is a leader in cross-disciplinary collaboration between accounting and technology, with research outputs across all disciplines. The School is focused on establishing and maintaining innovative research projects, strong industry connections,

and unique discipline areas driven by experts of the field, professional partners and leading academics.

RMIT SCHOOL OF ECONOMICS, FINANCE AND MARKETING

The School of Economics, Finance and Marketing (EFM) maintains high quality, innovative teaching programmes that continue to adapt to industry needs. The School is responsible for the economics, finance and marketing programmes at RMIT University. RMIT University has partnerships with 215 universities, institutes and higher education providers around the world, for example, in Europe, Asia, North-South America, Africa and Oceania.

RMIT SCHOOL OF ENGINEERING

RMIT's School of Engineering is renowned for its industry-relevant high-quality teaching and research, its globally competitive graduates and its international linkages. Our vision is to be recognised for innovative, industry-relevant teaching and research, and work-ready graduates. RMIT engineering is now ranked 114th (<https://www.rmit.edu.au/about/reputation-and-rankings>) in the world and sixth in Australia (Source, QS World University Rankings by Subject 2024). The School has achieved significant successes across different application areas and industry sectors. These successes place us at the pinnacle of science and technology institutions in Australia and overseas.

AWARDS SPONSORS

RMIT SCHOOL OF MANAGEMENT

The School of Management provides programmes in management, entrepreneurship, human resource management and international business. The School offers programmes to approximately 3,500 students at Bachelor, Master and PhDs levels across Melbourne and Asia (Singapore, China and Vietnam).

The School has a focus on management in context and is committed to the principles of socially responsible management and entrepreneurship and to sustainable work from a global perspective. The School carries out applied research partnering with industry to solve business problems with research strengths in the areas of People, Organisations and Work, Entrepreneurship and Innovation and Social Change.

RMIT SCHOOL OF DESIGN

The School of Design is internationally recognised as a leader in design education, research and practice that is industry connected, socially grounded and focused on the future practices of design. With an impressive academic

staff team, deep industry connections and leading edge facilities, the School provides leadership in new and emerging fields of design. From undergraduate programs to advanced research and PhD degrees across a spectrum of digital, industrial and communication design disciplines, the School of Design brings together a rich community of students, teachers, researchers and industry professionals that celebrate the possibilities of interdisciplinary collaboration and individual creative exploration.

RMIT SCHOOL OF MEDIA AND COMMUNICATION

The School of Media and Communication at RMIT University pushes the boundaries of digital knowledge creation and future orientated practice. A deep engagement with media and communication industries and the community allows our research and teaching to respond to global conditions with creativity and innovation. Our students embrace agility and flexibility to drive a field that is always evolving, with emerging specialisations and new roles in an increasingly dynamic world.

AWARDS SPONSORS

RMIT SCHOOL OF PROPERTY, CONSTRUCTION AND PROJECT MANAGEMENT

The School of Property, Construction and Project Management offers the full spectrum of opportunities for students from short courses to research degrees. The international perspective adopted by the school has helped to consolidate its position as the premier provider of construction management, project management, property, occupational health and safety and sustainable building programs in the Asia Pacific region. The school has offered the Bachelor of Applied Science (Construction Management) (Honours) in Singapore since 1997 and is taught by RMIT academics as well as local academics and practitioners in the industry. The school is helping shape the manner in which management and knowledge is developed and disseminated, and in the process, guiding its students towards careers in their chosen fields.

ABOUT RMIT UNIVERSITY

RMIT is an international university of technology, design and enterprise with more than 90,000 students and over 11,000 staff globally. We empower people and communities to adapt and thrive across generations, with education, research and civic engagement that are applied, inclusive and impactful. Postgraduate, undergraduate, vocational education, foundation studies and online programs offer students a variety of work-relevant pathways.

Our three substantial campuses in Melbourne are located in the City, Brunswick and Bundoora, along with other Victorian locations. We also have two campuses and an English language centre in Vietnam and a research and innovation hub in Spain. In addition, programs are offered through partners in Singapore, Hong Kong, Sri Lanka, Indonesia, India and China, with research and industry partnerships across the globe.

We continue to consolidate our international reputation and currently rank equal 123rd in the QS World University Rankings and appear in the 251-300 band of the Times Higher Education World University Rankings.

Strong industry connections, forged over 137 years, remain integral to RMIT's leadership in education, applied and innovative research, and to the development of our graduates as skilled global citizens. This is why our alumni community is known for being highly employable and ready to adapt in complex times.

Alongside industry-relevance, creativity and inclusivity are hallmarks of an RMIT education. Our diverse global community of more than 500,000 graduates live, work and contribute in more than 150 countries around the world. Recognising that education is lifelong, many also return throughout their careers to refresh and update their skills or change career direction altogether.

As a collective and as individuals, we commit to respectful ways of working and understanding that acknowledge the experiences, history and knowledge of Aboriginal and Torres Strait Islander peoples. We actively strengthen relationships between Indigenous and non-Indigenous peoples for the benefit of all Australians and the communities in which RMIT operates.

 Singapore
Institute of
Management

SIM Campus,
Singapore

ABOUT SIM

The Singapore Institute of Management (SIM) is one of the region's leading education and lifelong learning institutions, recognised for empowering individuals and enterprises to thrive across life stages through learning. Seeded by the Singapore Economic Development Board in 1964, SIM has been leading in the development of work and industry skills for Singapore's growth for 60 years.

Through harnessing new knowledge, skills and technology, SIM provides skills-based learning experiences that enable students, professionals, and enterprises to Learn for Life and Thrive for Life.

SIM achieves this through SIM Global Education (SIM GE) and SIM Academy. SIM GE focuses on higher education pathways and SIM Academy focuses on Professional Development and Enterprise Solutions for career transitions and advancements, and integrated learning solutions for enterprises.

As SIM commemorates its 60th anniversary this year, SIM remains dedicated to lifelong learning, ensuring that individuals and organisations have the necessary tools and knowledge to succeed in an ever-changing world.

SIM GLOBAL EDUCATION

SIM Global Education (SIM GE) is a leading private education institution in the region. We offer more than 140 academic programmes ranging from diplomas and graduate diploma programmes, to Bachelor's and Master's degree programmes with some of the world's most reputable universities from Australia, Europe, United Kingdom and the United States. SIM GE's cohort is made up of 16,000 full- and part-time students and adult learners, of which approximately 30% are international students hailing from over 50 countries.

SIM GE's holistic learning approach and culturally diverse learning environment aim to equip students with knowledge, industry skills and competencies, as well as a global perspective to succeed in a fast-changing, technologically driven world.
