

SIM – RMIT UNIVERSITY DEGREE CONFERMENT & AWARDS CEREMONY

23 – 25 AUGUST 2023

Singapore Institute
of Management

SIM Campus,
Singapore

CHANCELLOR'S WELCOME

Well done!

On behalf of the Council of RMIT University, it is my privilege to congratulate you, our new graduates.

We are a world-class university of technology, design and enterprise, committed to preparing our students with the skills and personal attributes they need to achieve their goals and contribute to a world in need of their expertise.

RMIT's high quality, professional education and our exceptional research respond to the changing nature of our communities and to industry aspirations. This is why we have such a strong global reputation for graduating work-ready professionals across all fields of endeavour.

As graduates, you also become ambassadors for RMIT and I hope you will make the most of connecting with the global community of alumni you now join.

This is a truly significant moment in your life and a huge achievement; well done and I wish you a bright and rewarding future.

A handwritten signature in black ink that reads "Peggy O'Neal".

Peggy O'Neal AO
Chancellor
RMIT University

VICE-CHANCELLOR'S WELCOME

Congratulations

On behalf of our University community, it is my great pleasure to congratulate you on reaching this significant milestone in your life.

Today more than ever, we need global citizens who are adaptive and prepared for complex environments. Your RMIT Graduation is an enormous achievement because it tells the world that you are a resilient and determined person.

We are so proud of the effort you have invested in your education and wish you well as you move into the next exciting stage of your life. Thank you also to the parents, family and friends who have provided support every step of the way.

May your journey with RMIT stand you in strong stead and, remember, you are always welcome back. These days we know that our education is lifelong, and it is a privilege to have our graduates return time and again.

Congratulations!

A handwritten signature in black ink that reads "Alec Cameron." The signature is written in a cursive, flowing style.

Professor Alec Cameron
Vice-Chancellor and President
RMIT University

ACADEMIC REGISTRAR'S MESSAGE

Graduation is an exceptional achievement

Well done to all of our RMIT graduates!

Graduation is a momentous occasion that marks a significant milestone in a person's life. As you graduate today you should be proud of what you've achieved in the most challenging years imaginable. You've demonstrated exceptional resilience, determination and capacity to adapt to whatever comes your way. You should feel very confident you've got what it takes to succeed.

Today you join a community of almost half a million RMIT alumni, who live and work in more than 150 countries around the world!

On behalf of the RMIT University community, I wish you every success in the future.

A handwritten signature in black ink, appearing to read 'Merlino', written over a light grey rectangular background.

Connie Merlino
Academic Registrar
RMIT University

INTRODUCTION

BACHELOR OF APPLIED SCIENCE (AVIATION)

The Bachelor of Applied Science (Aviation) program provides graduates with a range of analytical skills and a comprehensive appreciation of the aviation operating environment. Graduates will develop breadth and depth of thinking, and the ability to solve problems relevant to the aviation industry. With a rapidly growing population that seeks to travel internationally, professionals in the aviation industry are in demand across the globe, especially in the post pandemic world. The program prepares graduates to play an important role in meeting the needs of the aviation industry, and RMIT graduates continue to be highly employable.

BACHELOR OF APPLIED SCIENCE (CONSTRUCTION MANAGEMENT) (HONOURS)

The Bachelor of Applied Science (Construction Management) (Honours) is a two-and-a-half-year part-time program. The program comprises of 12 modules (including a research project) undertaken over 5 semesters. The program is designed to offer those holding a diploma in building or a related discipline the opportunity to upgrade their knowledge and skills to a bachelor's degree.

The program is offered on an advanced standing status to students with the relevant academic and professional achievements.

BACHELOR OF BUSINESS (ACCOUNTANCY)

The Bachelor of Business (Accountancy) is a fully accredited Australian undergraduate degree with international professional accountancy bodies. Upon successful completion of the programme, students are eligible for Associate membership with Chartered Accountants Australia and New Zealand (CAANZ) and CPA Australia and other professional accounting bodies.

As a graduate of the Bachelor of Accounting, you will obtain many transferable skills. These skills will enable you to analyse and evaluate information to complete a range of activities relating to the accounting discipline. The learning of skills in the Bachelor of Accounting curriculum is achieved through both skills embedded in curriculum design, and through an integrated capabilities framework.

This programme was launched in Singapore in 1993 and its continued successful operation is testament to its quality and rigour. The programme has two intakes a year.

BACHELOR OF BUSINESS (ECONOMICS AND FINANCE)

The Bachelor of Business (Economics and Finance) degree is a unique, well-established, and recognised program that offers two specialisations – economics and finance - opening

INTRODUCTION

doors to diverse industries and abundant employment opportunities. Our graduates are equipped with the skills and knowledge necessary to analyse economic trends, make informed financial decisions, and take advantage of the interplay between the two disciplines in their working environment. This dual focus enhances critical thinking, analytical, and problem-solving abilities, making our students highly sought-after by a wide range of employers across various industries and numerous occupation pathways. Courses are designed in conjunction with leading finance and economic industry partners through an industry advisory board of high-profile executives. The applied learnings therefore provide our graduates with the confidence to succeed and lead in an ever-changing economic environment.

BACHELOR OF BUSINESS (INTERNATIONAL BUSINESS)

The Bachelor of Business (International Business) programme has been introduced in July 2018 in Singapore. The programme enables students to develop an understanding of conducting business across national borders. It will address topics including international trade, international financial markets, global logistics and supply chain management, and cross-cultural management. Students will also study courses like global corporate responsibility which informs how to manage businesses responsibly in the international and global context. The interplay between

world's political economy and international business including multinational corporations are explored in the program as well.

The international business major aims to equip students with the essential knowledge and skills to work in international business and begin their career with a much-needed global mindset.

BACHELOR OF BUSINESS (MANAGEMENT)

The Bachelor of Business (Management) programme is offered on a full-time as well as part-time basis.

The Management programme has been offered in Singapore since 1987, and has been one of RMIT's most popular programmes both in Melbourne and throughout the Asia-pacific region. The programme offered in Singapore combines the best of local expertise with RMIT's academic expertise.

Students will learn how to deal with complex issues, lead teams and make business decisions applicable across a variety of organisational structures. The Management programme will challenge students to consider the local impact of global changes to markets and business practices. The degree offers graduates an excellent basis for both supervisor and management practice in a range of professional, commercial, industrial and not-for-profit organisations.

INTRODUCTION

BACHELOR OF BUSINESS (MARKETING)

The Bachelor of Business (Marketing) degree focuses on developing skills, knowledge and practices that are embedded in industry and stakeholder expectations.

Our graduates have researched markets and customers, explored buyer behaviour, understood sales strategy and communication skills, built cutting edge strategies, and applied a variety of specialist marketing approaches, including retailing, brand development, product innovation and digital marketing, through a range of industry-relevant courses.

The marketing degree has been designed to prepare students for an international career in marketing through its blended delivery options, industry collaboration opportunities, showcasing of contemporary marketing theories and a focus on customer understanding and insight development.

The Bachelor of Business (Marketing) full-time degree first commenced in Singapore in 2005. This degree is accredited by the Australian Marketing Institute.

BACHELOR OF BUSINESS (LOGISTICS AND SUPPLY CHAIN MANAGEMENT)

The Bachelor of Business (Logistics and Supply Chain Management) programme prepares students to tackle business problems in the global marketplace and understand the complex world of logistics, supply chain and trade industries. Students cover areas that include procurement and global sourcing, operations management, warehousing and distribution channels, transportation and freight logistics, transport economic, retail and service logistics, supply chain technologies, supply chain analytics, and strategic supply chain.

This degree is accredited by the Chartered Institute of Logistics and Transport Australia. Another important industry association supporting the programme is the Logistics and Supply Chain Management Society, Singapore.

INTRODUCTION

BACHELOR OF COMMUNICATION (PROFESSIONAL COMMUNICATION)

The Bachelor of Communication (Professional Communication) is a communications degree incorporating specialist study in Advertising and Public Relations. The interdisciplinary nature of the degree reflects the workplace reality of increasing integration of these professions. It encourages creative and critical thinking, and offers diversity in approaches to teaching and learning.

The program's capstone course will consolidate and extend your knowledge through individual and collaborative projects. Upon completion you will have a broad knowledge of the media and communications industries and be able to analyse issues, communicate informed ideas and apply independent judgement to problems within a global communications context.

BACHELOR OF DESIGN (COMMUNICATION DESIGN)

The Bachelor of Design (Communication Design) programme commenced in Singapore in 2002.

RMIT University has a reputation as a centre of excellence for teaching and research in design. Students develop expertise in visual language and strategic design processes based on a thorough knowledge of conceptual and visual design principles. These aptitudes are combined with students' individual design aesthetics and understanding of the technologies and media for production.

As a culmination of the programme, a graduation exhibition is held to showcase the students' design work. This is an important milestone for the graduating students as the process of preparing for the exhibition enhances their skills in organising a successful event comparable to that of the corporate world. It is also a good opportunity to showcase students' talent and creativity.

SESSION 1

23 AUGUST 2023, WEDNESDAY
10.00 AM

PROGRAMME

Academic Procession Enters

AWARDS

BACHELOR OF BUSINESS (MARKETING) FULL-TIME

THE RMIT SCHOOL OF ECONOMICS, FINANCE AND MARKETING AWARD

Sponsored by the RMIT School of Economics, Finance and Marketing, the award is presented to the top student in each batch who has achieved outstanding academic performance in the Bachelor of Business (Marketing) programme.

Chan Qian Ping (December 2022)

Leow Wei Xuan (June 2023)

AWARDS SPONSORS

THE ASSOCIATION OF CHARTERED CERTIFIED ACCOUNTANTS (ACCA)

ACCA (the Association of Chartered Certified Accountants) is the global body for professional accountants.

We're a thriving global community of **241,000** members and **542,000** future members based in 178 countries and regions, who work across a wide range of sectors and industries. We uphold the highest professional and ethical values.

We offer everyone everywhere the opportunity to experience a rewarding career in accountancy, finance and management. Our qualifications and learning opportunities develop strategic business leaders, forward-thinking professionals with the financial, business and digital expertise essential for the creation of sustainable organisations and flourishing societies.

Since 1904, being a force for public good has been embedded in **our purpose**. In December 2020, we made commitments to **the UN Sustainable Development Goals** which we are measuring and will report on in our annual integrated report.

We believe that accountancy is a cornerstone profession of society and is vital helping economies, organisations and individuals to grow and prosper. It does this by creating robust trusted financial and business management, combating corruption, ensuring organisations are managed

ethically, driving sustainability, and providing rewarding career opportunities.

And through our cutting-edge research, we lead the profession by answering today's questions and preparing for the future. We're a not-for-profit organisation. Find out more at accaglobal.com

CPA AUSTRALIA

Founded in 1886, CPA Australia is one of the world's largest professional accounting bodies representing more than 170,000 members working in 150 countries around the world, with more than 28,000 members working in senior leadership positions.

We have offices in markets throughout the world, including all Australian capital cities, Hong Kong, Beijing, Shanghai, Guangzhou, Indonesia, Malaysia, Singapore, Vietnam, New Zealand and the United Kingdom.

CPA Australia advances its members' interests through education and knowledge exchange, the development of professional networks, advocacy in relation to policy, standards and regulation and the promotion of value of CPA Australia members to employers, government, regulators and the public. The CPA Program goes beyond the numbers. It teaches you the skills that will help you reach the next level in leadership, strategy and business. Being a CPA gives you a competitive advantage over your

AWARDS SPONSORS

peers. CPAs are internationally recognised and membership is associated with a strong legacy, international presence and thought leadership.

For more information, please visit cpaaustralia.com.au or reach us at sg@cpaaustralia.com.au.

RICS INTERNATIONAL LTD SINGAPORE BRANCH

RICS is the world's leading professional body for qualifications and standards in land, property, infrastructure and construction. Incorporated by Royal Charter to lead the built environment globally, RICS promotes and enforces the highest professional qualifications and standards in the valuation, development and management of land, estate, construction and infrastructure.

The RICS qualification is a globally recognised mark of property professionalism worldwide, with a growing number of over 134,000 RICS professionals and Regulated Firms bringing confidence to markets through the consistent delivery of standards. Besides working to promote robust and well-functioning property markets through standards and regulation, we also effect positive change in the built and natural environments through promoting best practice, insights and thought leadership on key issues.

With up to seventy per cent of the

world's wealth bound up in land and real estate, RICS works to safeguard and support stable, sustainable investment and growth internationally in the public interest. For more information, please visit rics.org.

RMIT COLLEGE OF BUSINESS

AND LAW

The College of Business and Law is one of the largest business schools in the Asia Pacific region - attracting approximately 30,000 students globally, offering industry responsive programs to both students and the future needs of employers, and delivering research and innovation with social impact.

Through its globally connected campuses, the College develops RMIT graduates, leaders and industry with the knowledge and skills needed to create positive, sustainable, and fair futures.

By integrating theory with practice, our students develop real, hands-on knowledge and experience from academics who are also practitioners and experts in their fields. This in turn results in business graduates who not only possess discipline-related skills but are passionate and ready to create impact in their chosen industry.

Congratulations on joining the RMIT College of Business and Law alumni community made up of over 95,000 members across the Asia Pacific region.

The RMIT Alumni network in Singapore provides graduates who are living and working in Singapore with professional development and social networking opportunities.

AWARDS SPONSORS

RMIT COLLEGE OF DESIGN AND SOCIAL CONTEXT

Across its nine schools, the College of Design and Social Context encompasses RMIT's architecture, art, design, construction, education, fashion, media and communication, property and social science disciplines in higher education.

The College has more than 21,000 students plus a team surpassing 1000 academics and teachers dedicated to fostering an environment that transforms and advances knowledge and professional practice.

With nationally and internationally recognised research centres, groups and collaborations, such as the ARC Centre for Excellence in Automated Decision Making & Society and the Centre for Urban Research, the College's world-leading research positively impacts society, industry, government and non-government sectors.

The College also has higher education programs and active research projects throughout Asia and Europe, including programs at RMIT's Vietnam campus and with partner organisations in Singapore and Hong Kong, as well as research activity at RMIT Europe in Barcelona.

The College is recognised globally in the 2023 QS rankings for its standing across numerous fields with Art and Design maintaining its number one spot in Australia and the Asia-Pacific,

and 19th globally. Architecture and the Built Environment ranks second in Australia and 25th globally while Communications and Media Studies is ranked fourth in Australia and in the top 50 globally.

STEM COLLEGE

The STEM College comprises four schools delivering a broad range of programs in science, engineering, health and computing technologies at bachelor, masters and PhD levels. The College is focused on providing innovative and practical solutions to real-life problems; developing and applying new knowledge and new ways of thinking about the environment and sustainability, health and wellbeing; and developing advanced technologies and driving digital transformation through education, research and projects, in collaboration with a wide range of partners. Employing over 1,000 staff, we provide onshore and offshore programs to approximately 25,000 students.

AWARDS SPONSORS

RMIT SCHOOL OF ACCOUNTING, INFORMATION SYSTEMS AND SUPPLY CHAIN

The School of Accounting, Information Systems and Supply Chain (AISSC) is an innovative school, offering unique courses and subjects in line with the changing needs of industry. The School is made up of four distinct departments each offering industry leading programs at undergraduate and postgraduate level. The School is a leader in cross-disciplinary collaboration between accounting and technology, with research outputs across all disciplines. The School is focused on establishing and maintaining innovative research projects, strong industry connections, and unique discipline areas driven by experts of the field, professional partners and leading academics.

RMIT SCHOOL OF ECONOMICS, FINANCE AND MARKETING

The School of Economics, Finance and Marketing (EFM) maintains high quality, innovative teaching programmes that continue to adapt to industry needs. The School is responsible for the economics, finance and marketing programmes at RMIT University. RMIT University has partnerships with 215 universities, institutes and higher education providers around the world, for example, in Europe, Asia, North-South America, Africa and Oceania.

EFM is proud to offer a range of programmes, provide consulting services and supports an active research community, of staff, collaborators and research by higher degree students. Research is an integrated component of the subjects we teach, and our students have the opportunity to witness first-hand contemporary developments and work on real-life industry problems. The multi-disciplinary nature of this School offers students a unique partnership with diverse research groups, centres and partners. EFM blends industry-relevant discussions through high-quality seminars, advisory boards, colloquiums and industry partner exhibitions with academic presentations and conferences, to ensure our successful blend of quality teaching with a contemporary research agenda.

RMIT SCHOOL OF ENGINEERING

RMIT's School of Engineering is renowned for its industry-relevant high-quality teaching and research, its globally competitive graduates and its international linkages. Our vision is to be recognised for innovative, industry-relevant teaching and research, and work-ready graduates. RMIT engineering is now ranked 51-100 in the world and sixth in Australia (Source, QS World University Rankings by Subject 2023). The School has achieved significant successes across different application areas and industry sectors. These successes place us at the pinnacle of science and technology institutions in Australia and overseas.

RMIT SCHOOL OF MANAGEMENT

The School of Management provides programmes in management, entrepreneurship, human resource management and international business. The School offers programmes to approximately 3,500 students at Bachelor, Master and PhDs levels across Melbourne and Asia (Singapore, China and Vietnam). The School has a focus on management in context and is committed to the principles of socially responsible management and entrepreneurship and to sustainable work from a global perspective. The School carries out applied research partnering with industry to solve business problems with research strengths in the areas of People, Organisations and Work,

Entrepreneurship and Innovation and Social Change.

RMIT SCHOOL OF DESIGN

The School of Design is internationally recognised as a leader in design education, research and practice that is industry connected, socially grounded and focused on the future practices of design. With an impressive academic staff team, deep industry connections and leading edge facilities, the School provides leadership in new and emerging fields of design. From undergraduate programs to advanced research and PhD degrees across a spectrum of digital, industrial and communication design disciplines, the School of Design brings together a rich community of students, teachers, researchers and industry professionals that celebrate the possibilities of interdisciplinary collaboration and individual creative exploration.

RMIT SCHOOL OF MEDIA AND COMMUNICATION

The School of Media and Communication at RMIT University pushes the boundaries of digital knowledge creation and future orientated practice. A deep engagement with media and communication industries and the community allows our research and teaching to respond to global conditions with creativity and innovation. Our students embrace agility and flexibility to drive a field

that is always evolving, with emerging specialisations and new roles in an increasingly dynamic world.

RMIT SCHOOL OF PROPERTY, CONSTRUCTION AND PROJECT MANAGEMENT

The School of Property, Construction and Project Management offers the full spectrum of opportunities for students from short courses to research degrees. The international perspective adopted by the school has helped to consolidate its position as the premier provider of construction management, project management, property, occupational health and safety and sustainable building programs in the Asia Pacific region.

The School has offered the Bachelor of Applied Science (Construction Management) (Honours) in Singapore since 1997 and is taught by RMIT academics as well as local academics and practitioners in the industry. The School is helping shape the manner in which management and knowledge is developed and disseminated, and in the process, guiding its students towards careers in their chosen fields.

ABOUT RMIT UNIVERSITY

RMIT is an international university of technology, design and enterprise with more than 90,000 students and close to 10,000 staff globally. We empower people and communities to adapt and thrive across generations, with applied and impactful education, research and civic engagement.

Our diverse global community of 500,000+ graduates, live and work in more than 150 countries around the world and return throughout their careers to refresh and update their skills or change career direction altogether. Postgraduate, undergraduate, vocational education, foundation studies and online programs offer students a variety of work-relevant pathways.

We have multiple locations in Melbourne and Victoria, along with two campuses and an English language centre in Vietnam (Ho Chi Minh City, Hanoi and Danang) and a research and industry collaboration centre in Barcelona, Spain. In addition, programs are offered through partners in Singapore, Hong Kong, Sri Lanka and mainland China, with research and industry partnerships across the globe.

Strong industry connections, forged over 136 years, remain integral to RMIT's leadership in education, applied and innovative research, and to the development of our graduates as highly skilled global citizens. Alongside industry-relevance, creativity and inclusivity are distinct hallmarks of an RMIT education.

We continue to consolidate our international reputation. RMIT is now ranked 190th in the 2023 QS World University Rankings, and equal seventh globally in the 2023 Times Higher Education (THE) World University Rankings. RMIT also ranked number one globally for its impact towards two sustainability development goals in the 2023 THE Impact Rankings, and equal 53rd globally in the 2023 QS Sustainability Rankings.

 Singapore
Institute of
Management

SIM Campus,
Singapore

ABOUT SIM

The Singapore Institute of Management (SIM) is one of the region's leading education and lifelong learning institutions, recognised for empowering individuals and enterprises to thrive across life stages through learning. Seeded by the Singapore Economic Development Board in 1964, SIM has, for close to 60 years, been leading in the development of work and industry skills for Singapore's growth.

Through harnessing new knowledge, skills and technology, SIM provides skillsbased learning experiences that enable students, professionals, and enterprises to Learn for Life and Thrive for Life.

SIM achieves this through SIM Global Education (SIM GE) and SIM Academy. SIM GE focuses on higher education pathways and SIM Academy focuses on Professional Development (PD) and Enterprise Solutions (ES) for career transitions and advancements, and integrated learning solutions for enterprises.

SIM GLOBAL EDUCATION

Holistic higher education for a global edge

SIM Global Education (SIM GE) is a leading private education institution in the region. We offer more than 120 academic programmes ranging from diplomas and graduate diploma programmes, to Bachelor's and Master's degree programmes with some of the world's most reputable universities from Australia, Europe, United Kingdom and the United States. SIM GE's cohort is made up of 16,000 full- and part-time students and adult learners, of which approximately 30% are international students hailing from over 40 countries.

SIM GE's holistic learning approach and culturally diverse learning environment aim to equip students with knowledge, industry skills and competencies, as well as a global perspective to succeed in a fast-changing, technologically driven world.
