OF LONDON**

SIM – UNIVERSITY OF LONDON PRESENTATION CEREMONY

4 & 5 APRIL 2024

Singapore Institute
of Management

SIM Campus,
Singapore

CELEBRATING THE COLLABORATION BETWEEN THE SINGAPORE INSTITUTE OF MANAGEMENT AND THE UNIVERSITY OF LONDON

This year commemorates the 38 years of collaboration between Singapore Institute of Management (SIM) and University of London (UOL). As we come together to celebrate the graduation of the Class of 2023, we reflect upon the growth, innovation, and academic prowess that have uniquely shaped our institution.

A Pillar of Excellence

UOL is proud to acknowledge SIM as its largest Recognised Teaching Centre, boasting an impressive enrolment of nearly 5,000 students across 40 diverse programmes. With a thriving community of over 46,000 alumni globally, SIM has established itself as a beacon of academic brilliance. The establishment of the UOL-SIM Global Education Regional Centre in 2018, located at the SIM Campus, stands as a testament to the strong and mutually beneficial partnership between the two institutions.

Revolutionising Futures

In recent years, we have seen the incorporation of new studies aimed at instilling knowledge and skills crucial to stay relevant in the evolving landscape of work. These include data science, artificial intelligence, financial technology, business analytics, and digital innovation.

In our pursuit of academic excellence, we have expanded the suite of programmes within the BSc Computer Science programme at SIM-UOL, where novel specialisations and additional pathways in the Graduate Diploma and Graduate Certificate were introduced. Since its establishment in April 2020, the programme has been well-received, with student enrolment surpassing 900. The addition of cutting-edge options such as User Experience, Virtual Reality, and Internet of Things have sparked the intellectual curiosity of our learners. These new technologies play a pivotal role in shaping the future of technology and innovation.

Global Recognition of Alumni Achievements

In 2023, our esteemed alumni achieved notable milestones by gaining admission into master's programmes at prestigious universities worldwide such as Boston, Cornell, and the University of Southern California in the United States. Our graduates have also secured coveted positions at Cambridge, University College London (UCL), London School of Economics (LSE), London Business School (LBS), Edinburgh and more. A special mention goes to Mr Choi Ming Hong, who is awarded the Chevening Scholarship, a prestigious scholarship offered by the UK government which fully funds recipients worldwide to undertake a master's

CELEBRATING THE COLLABORATION BETWEEN THE SINGAPORE INSTITUTE OF MANAGEMENT AND THE UNIVERSITY OF LONDON

course at any university in the UK. He is currently pursuing a MSc in Finance at Cambridge under the scholarship. Another notable alumni, Ms Charlotte Chan, secured two scholarships which cover her LBS MBA fees, with her remarkable achievements. Two more of our learners have embarked on master's degrees at LBS and LSE through merit scholarships.

In commemorating the accomplishments of our learners, we express our gratitude for the unwavering support that have been shown to them. SIM-UOL continues to set the standard for academic excellence, fostering a community of scholars destined to leave an indelible mark on the global stage.

As we celebrate 38 remarkable years, the dynamic spirit of the SIM-UOL alliance continues to grow. Join us in the excitement as we invite all learners and alumni to become an integral part of this ever thriving collaboration!

SESSION 1

4 APRIL 2024, THURSDAY
10.00 AM

SESSION 2

4 APRIL 2024, THURSDAY
3.00 PM

SESSION 3

5 APRIL 2024, FRIDAY
10.00 AM

PROGRAMME

Academic Procession Enters

Opening Address by

Mr Seah Chin Siong
President and Chief Executive Officer
SIM
(Session 1 & 3)

Professor Wei Kwok Kee
Provost
SIM
(Session 2)

Graduation Address by

Professor Wendy Thomson CBE
Vice-Chancellor
University of London
(Session 1 & 3)

Professor Emma McCoy
Vice President and Pro-Vice Chancellor (Education)
London School of Economics and Political Science
(Session 2)

CHESS – Certificate of Higher Education in Social Sciences

Senate House,
University of London,
London

University of London degrees have been accessible to students all over the world since 1858, through the University's transnational provision. Over the years, many exceptional people who have studied with the University have shaped our world. Former students include Nobel Prize winners, leaders of Commonwealth countries, government ministers, renowned authors, academics, judges and business leaders. Today, the University of London's global footprint comprises more than 40,000 students in over 190 countries, adding to the 250,000-strong student body in London.

NOTABLE PAST STUDENTS OF THE UNIVERSITY OF LONDON

- **Sir Frederick Gowland Hopkins** – Winner of the Nobel Prize in 1929 for the discovery of what are now known as vitamins.
- **Wole Soyinka** – Winner of the Nobel Prize for Literature in 1986.
- **Professor Ronald Coase** – Winner of the Nobel Prize for Economics in 1991.
- **Sir Derek Walcott** – Winner of the Nobel Prize for Literature in 1992.
- **Nelson Mandela** – Winner of the Nobel Peace Prize in 1993.
- **Dr Rolph Payet** contributed to the reports of the Intergovernmental Panel on Climate Change (IPCC), which was awarded the Nobel Peace Prize in 2007.
- **Sir Charles Kao** – awarded the 2009 Nobel Prize in Physics for the development of and use of fiber optics in telecommunications.

ACADEMIC DIRECTION

Academic direction for the degrees awarded by the University of London is provided by federation members of the University. Academics at these federation members develop the syllabuses, prepare the study materials, and are responsible for the assessment of students. This means that students benefit from the academic rigour and leading-edge research of the federation member; and ensures that the standard of award made to students is maintained at the same level as those students studying on campus in London.

Academic direction for the degrees taught at SIM is provided by three prestigious University of London federation members: London School of Economics and Political Science (LSE); Goldsmiths, University of London; and UCL.

THE LONDON SCHOOL
OF ECONOMICS AND
POLITICAL SCIENCE ■

People and ideas that change the world

LSE is a world-leading university specialising in the Social Sciences and home to an inspirational international community.

Founded in 1895, LSE pioneers the study of social sciences, economics and international relations, with the aim of contributing to the betterment of society. LSE academics continue to be leading thinkers in these fields, using their research to influence government policy and advise companies worldwide.

LSE provides the academic direction for the EMFSS (Economics, Management, Finance and Social Sciences) degrees, ensuring that students gain the skills and knowledge they need to go on and make a positive contribution to society. LSE's research underpins curriculum development, which means that all their qualifications are informed by the latest thinking and have a high degree of contemporary global relevance.

LSE is a truly international institution and considers the EMFSS students to be important members of their academic community. Each year we are delighted that a significant number of SIM students continue their journey with LSE by joining the year-long General Course, LSE Summer School, or studying postgraduate degrees in London.

LSE in the QS World University subject rankings 2023:

- 5th Globally for Social Sciences and Management
- 7th Globally for Accounting and Finance
- 4th Globally for Politics

Goldsmiths

UNIVERSITY OF LONDON

GOLDSMITHS, UNIVERSITY OF LONDON

Founded in 1891, Goldsmiths is internationally renowned for teaching and research in creative, cultural and cognitive disciplines. Its distinctive attitude to learning encourages students to explore ideas, challenge boundaries, investigate fresh ways of thinking, and stretch their minds intellectually and creatively.

The Department of Computing at Goldsmiths sees interdisciplinarity as the core of its identity, running undergraduate and postgraduate degree programmes that include the application of computer science to the arts, psychology and business. It is a world-leader for research in computer science, computing and the creative industries, including music, film, TV, visual arts, games and animation.

Goldsmiths oversees the academic direction of the MSc in Data Science, BSc in Computing and Information Systems, BSc in Creative Computing and BSc in Computer Science with specialisms in Machine Learning and Artificial Intelligence, Web and Mobile Development, User Experience, Virtual Reality, as well as Physical Computing and the Internet of Things.

UCL

Founded in 1826 in the heart of London, UCL is London's leading multidisciplinary university, with more than 16,000 staff and 50,000 students from 150 different countries. Since 1826, UCL has championed independent thought by attracting and nurturing the world's best minds in academics and students alike.

The UCL School of Management (SoM) provides the academic direction for the MSc in Professional Accountancy, which was launched at SIM in July 2016. The programme is an integrated Masters from the University of London (UoL) enabling students to build upon their professional ACCA accountancy qualification in order to gain a sought after MSc in today's competitive environment. Since 2022, the updated MSc in Professional Accountancy has welcomed qualified accountants from additional professional accountancy bodies around the globe.

UOL ALUMNI

WELCOME TO OUR ALUMNI COMMUNITY

Congratulations on your academic success! We know that the past few years have been especially challenging for many and you should feel incredibly proud of all you have achieved.

Upon graduating, you automatically become a member of the University of London alumni community providing you with lifelong links to the University and each other. The University of London has more than 500,000 current alumni who have studied directly with UoL, including alumni of the institutes of the School of Advanced Study, the University of London Institute in Paris, and those who have studied through our distance and flexible learning programmes.

Being a member of our alumni community provides a wide range of benefits. Whether you are interested in taking part in our global events, meeting other graduates in your academic or professional field or just staying in contact with the University, we can help you!

The benefits available to you include:

- Invitations to a wide range of events, including regular events in Singapore
- International alumni groups, including our established alumni group in Singapore. You can get in contact with them via their Facebook page: www.facebook.com/UOLSingapore
- Alumni membership of Senate House Library, which includes access to a range of online journals
- Alumni bursary for further study
- Regular e-newsletters

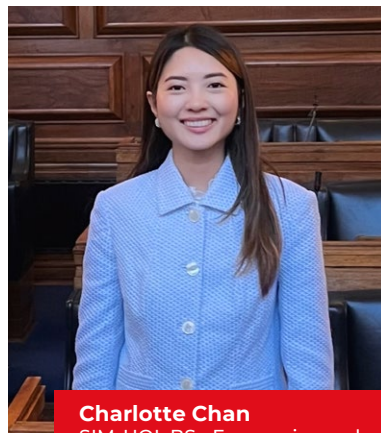

For further details, please visit london.ac.uk/alumni-supporters/alumni/new-graduates or email alumni@london.ac.uk

STAY IN TOUCH

As a valued University of London graduate, we want to keep you informed about news and benefits, as well as opportunities to become involved and support your University.

Keeping your contact details up-to-date will ensure that you don't miss out on communications, news and invitations from the University of London. Find out more and update your details at london.ac.uk/alumni-supporters/alumni/keep-touch

Whatever you studied, we invite you to stay connected and be an active member of our alumni community. And if you're planning to visit London, do let us know!

Charlotte Chan

SIM-UOL BSc Economics and Management alumna, UOL-SIM Regional Centre Master's Scholar 2023-2024 and MBA student at London Business School

CONTINUING YOUR STUDY WITH THE UNIVERSITY OF LONDON

Wherever the future takes you, the University of London can continue to support your career and personal development. We have a wide range of flexible and distance learning postgraduate programmes to suit your further learning needs.

The bursary is now available on most courses, individual modules, certificates and post graduate diplomas, provided you have completed a full Bachelor or Masters programme.

Take your next steps by studying again. As a graduate of the University of London you can enrol on further courses, with a fee bursary of 10% or more off fees.

 Singapore
Institute of
Management

SIM Campus,
Singapore

ABOUT SIM

The Singapore Institute of Management (SIM) is one of the region's leading education and lifelong learning institutions, recognised for empowering individuals and enterprises to thrive across life stages through learning. Seeded by the Singapore Economic Development Board in 1964, SIM has been leading in the development of work and industry skills for Singapore's growth for 60 years.

Through harnessing new knowledge, skills and technology, SIM provides skills-based learning experiences that enable students, professionals, and enterprises to Learn for Life and Thrive for Life.

SIM achieves this through SIM Global Education (SIM GE) and SIM Academy. SIM GE focuses on higher education pathways and SIM Academy focuses on Professional Development and Enterprise Solutions for career transitions and advancements, and integrated learning solutions for enterprises.

As SIM commemorates its 60th anniversary this year, SIM remains dedicated to lifelong learning, ensuring that individuals and organisations have the necessary tools and knowledge to succeed in an ever-changing world.

SIM GLOBAL EDUCATION

SIM Global Education (SIM GE) is a leading private education institution in the region. We offer more than 140 academic programmes ranging from diplomas and graduate diploma programmes, to Bachelor's and Master's degree programmes with some of the world's most reputable universities from Australia, Europe, United Kingdom and the United States. SIM GE's cohort is made up of 16,000 full- and part-time students and adult learners, of which approximately 30% are international students hailing from over 50 countries.

SIM GE's holistic learning approach and culturally diverse learning environment aim to equip students with knowledge, industry skills and competencies, as well as a global perspective to succeed in a fast-changing, technologically driven world.

SIM GE ALUMNI

Welcome To Your SIM Alumni Family

Graduation marks the beginning of your complimentary lifelong membership as SIM alumni.

You are now one of our global network of close to 200,000 alumni. Besides Singapore, connect with Overseas Alumni Chapters in China, Korea, Indonesia, Malaysia and Vietnam to expand your network.

As SIM alumni, you can access a suite of lifestyle benefits, learning events and career services. So check out regular event updates and latest alumni privileges via www.sim.edu.sg/alumni

SIM wants to be here for you in your personal development, career advancement and life successes. We encourage you, our valued alumni to stay in touch with us and each other for life.

Congratulations! See you around!
